Five Year Grant Developing a Fundable Application

Presenters: Leslie Porter and Racquel Martinez

HEAD START

Regional T/TA Network

Learning Objectives:

In this session participants will:

- Identify major changes to the grant application instructions.
- Develop a process for application submission.
- Practice how to create a strong responsive application.

HEAD START

Regional T/TA Network

Grant Application Instructions

Grantees are **required** to submit funding applications for **each year** of the project period.

Office of Head Start considers each grantee's annual application, beginning with the baseline, to assure that agencies are **meeting the intent** of the Head Start mission, purpose, and regulations prior to issuing the Notice of Award.

HEAD START

Regional T/TA Network

Grant Application Purpose

The Office of Head Start analyzes applications to understand:

- Whether the program design, services, and resources are aligned to children and family needs

Program goals and outcomes throughout the project period

HEAD START

Regional T/TA Network

Grant Application: Why, When, and Who

Why: Assures that agencies are meeting Head Start mission, purpose, and regulations prior to Notice of Award

When: Required every year of the project period

Who: Reviewed by program and fiscal staff

Baseline Application

In the *Baseline Application*, grantees describe the program design, goals, approach to service delivery, and supporting budget for the duration of their grant. This is an opportunity for the grantee to present their strategies for meeting certain requirements and to ensure the delivery of high quality services, including a program design that is responsive to the needs of the children and families in the community.

HEAD START

Regional T/TA Network

Continuation Application

Following the baseline for the duration of the project period, grantees submit a **Continuation Application**. In this application, **grantees describe any changes** to the program design, goals, approach to service delivery, and supporting budget. **Grantees provide a rationale for changes** such as resulting from ongoing oversight or using data for continuous improvement as described in [1302.102\(b\)-\(c\)](#). Also, **grantees describe challenges** with implementing the program design **and how they are working to address those challenges**.

Baseline Application Instructions

d. **Funded Enrollment Changes.** If proposing to change or convert the number of funded enrollment slots, explain the rationale.

- i. Provide the funding amount for the Head Start and Early Head Start programs before and after the change.
- ii. Specify the number of Head Start and Early Head Start slots before and after the change.

If proposing to convert Head Start slots to Early Head Start slots, then:

- A. Describe how the needs of eligible Head Start children will be met in the community when the conversion takes place.
- B. Describe how the chosen model(s) meets the needs of infants, toddlers, and pregnant women.
- C. Discuss the agency's capacity to carry out an effective Early Head Start program.
- D. Discuss the qualifications, competencies, and training of staff, and describe the facilities and program infrastructure to support the new or expanded Early Head Start program.
- E. Specify the proposed timetable for implementation of the conversion.

Note: If proposing **Funded Enrollment Changes**, indicate the application includes a "Change in Scope" request in HSES.

Program Goals: Terms and Definitions

Terms and Definitions

Program Goals – Broad statements that describe what a program intends to accomplish. Program goals should be strategic, long term, and responsive to the needs identified in the community assessment.

They include:

- Goals for the provision of educational, health, nutritional, and family and community engagement program services to further promote the school readiness of enrolled children;
- School readiness goals; and
- Effective health and safety practices to ensure children are safe at all times (programs may wish to identify these as a stand-alone goal or as an objective related to another type of program goal, i.e. a health goal).

School Readiness Goals – The expectations of children's status and progress across domains of language and literacy development, cognition and general knowledge, approaches to learning, physical well-being and motor development, and social and emotional development that will improve their readiness for kindergarten (as defined in [45 CFR 1305.2](#)).

Measurable Objectives – Support the attainment of goals that are **Specific, Measurable, Attainable, Realistic and Timely (SMART)**.

Progress – Forward movement toward the achievement of goals, objectives, and outcomes.

Outcomes – Something that happened as a result of an activity or process. The actual results achieved.

Challenges – Information describing obstacles to achieving program goals and objectives.

Evidence – Facts, information, documentation, or examples given to support an assertion.

Subsection A: Goals

Section I. Program Design and Approach to Service Delivery

Sub-Section A: Goals

Baseline Application Instructions

1. What are your **Program Goals**, **Measurable Objectives**, and **Expected Outcomes** for the project period?
 - a. List **all Program Goals**
 - b. List **all Measurable Objectives** aligned to each program goal
 - c. To demonstrate the agency's approach to measuring progress and outcomes, **select a few Measurable Objectives** and describe the following:
 - i. Activities or action steps to meet the objective
 - ii. Data, Tools, or Methods for tracking **Progress**
 - iii. **Expected Outcomes**
 - iv. **Expected Challenges**
 - d. **Only for grantees applying for a non-competitive new grant:** Describe how your actual **Outcomes** from the prior project period informed the above.

Goals: Continuation Application

Continuation Application Instructions

1. If applicable, list any additions, deletions, or revisions to your Program Goals, Measurable Objectives, and Expected Outcomes that have occurred since last year's application and briefly describe the reasons for those changes such as resulting from ongoing oversight or from using data for continuous improvement as described in [1302.102\(b\)-\(c\)](#). If no updates or changes have occurred, include a sentence to that effect.
2. For each Program Goal:
 - a. Demonstrate your Progress/Outcomes this year toward meeting your Measurable Objectives and Expected Outcomes.
 - b. Describe any Challenges in achieving progress towards Expected Outcomes and how your program is working to address those Challenges.

Additional Instructions:

Additional Definitions

See [Section 1305.2](#) of the HSPPS for additional definitions. For example, “service area”, “recruitment area”, and “[Head Start Early Learning Outcomes Framework: Ages Birth to Five](#)” are defined in this section.

Additional Resources on Program Goals

Training and Technical Assistance materials are available to help grantees complete their application narrative. See the “Foundations for Excellence: Five-Year Planning and Continuous Improvement, 2nd Edition” for additional assistance once released.

See [Section 1302.102](#) of the HSPPS for requirements relating to achieving program goals.

Special Instruction on Supporting Documentation

A program must summarize critical information from supporting documentation into the narrative. For example, do not provide additional documents to respond to criteria in the instructions unless requested by the regional office.

Special Instruction on Community Assessment

The program must describe only those findings from the community assessment that informed the proposed program design and approach to service delivery throughout the narrative. Do not upload the full community assessment.
