Coordinated Approaches
Supporting Program Management and Quality Improvement

Session Outcomes

This session will help participants:

• Understand the requirements for coordinated approaches
• Connect coordinated approaches to the Management Systems Wheel
• Translate the work/design of coordinated approaches to their current work

The Human Body is a System

Activity:
Work with your table mates to demonstrate the system on the card.
You have 10 minutes to complete the task.
What changes are having the biggest impact on your programs?

Responsive Practice
§1302.101(b) – Coordinated Approaches

Coordinated approaches. At the beginning of each program year, and on an ongoing basis throughout the year, a program must design and implement program-wide coordinated approaches that ensure...

§1302.101(b) – Coordinated Approaches

a. Implementation
b. Coordinated approaches
   (1) Training and professional development system
   (2) Dual language learners
   (3) Children with disabilities
   (4) Management of program data

Coordinated Approaches: What Were They Thinking?
Coordinated Approaches (CA) Blueprint

Important things to consider
- Reinforce systems thinking
- Understand interconnectivity with services
- Incorporate coordinated approaches into existing systems
- Include coordinated approaches in program’s culture
- Sustainability

Paint a Picture

What would program-wide coordinated approaches look like in your program?

Key Takeaways
