Performance Standards

- The desire to create a great Head Start program and a strong team to lead it.
- Are only part of what is needed to make the program a success.
- Title 45 CFR Part 1304 establishes requirements.
 - ❖ The complete standards are available at <http://eclkc.ohs.acf.hhs.gov>.

Head Start/Early Head Start Program Governance

- The Head Start Act of 2007 describes the composition and roles and responsibilities of Head Start/Early Head Start agency governing bodies with regard to program design, planning, monitoring, and oversight
- The Act, in conjunction with the Head Start Program Performance Standards, describes performance expectations regarding program management
- This is Head Start **governance**.

Governing Body Reminders

Because governing bodies are responsible for compliance with Head Start program requirements, they should:

- Be active participants in decisions affecting Head Start/Early Head Start programs to ensure continual compliance
- Review all federal monitoring review reports and audit reports and be actively involved in full correction of any monitoring and audit findings

Be actively involved in the annual self-assessment of Head Start/Early Head Start programs

Sharing	Team	Behaviors	DRS	Success	Closing	Link Text	Link Text

Sharing

- Integrating Governing Body and Policy Group Membership
 - ❖ Open communication and access to information are important ingredients of shared decision-making
 - ❖ Enhance communication between the groups by having at least one representative from the governing body serve on the policy group and at least one representative from the policy group serve on the governing body
