When preparing your Budget Justification

- There should be **no proper names** in your justification, titles are sufficient.

- The use of ‘Etc.’ and ‘Miscellaneous’ are **not** allowed in your justification. These are not measurable costs.
Helpful Hints
When preparing your Budget Justification

- Provide as much details as possible when justifying travel (mileage, air fare, per diem).

- Verify Indirect Cost Rate agreement is current. If not, consult the cognizant agency to negotiate a new rate.

- Make sure calculations are clear and easy to understand how you arrive at the figures you report.

The more details you provide, the easier it is for us to complete our review of your Continuation Application.

At the end of your project, your ‘annual’ 425 report then becomes a FINAL cumulative 425 report.
Financial Status Reports (SF-425’s) are due 30 days after the end of the first six month period and thirty days after the end of the twelfth month of the budget period (every 6 months).

An **Annual** SF-425 is due 90 days after the end of each budget period. This financial status report and the Payment Management System (PMS) expenditures report for the reporting period must be similar. For the report to be considered Annual, all unliquidated obligations must have been paid and $ –0– entered on line 10(k) of the Annual Financial Status Report and section 6 marked “Yes”.
All financial status reports must be signed by the recipient organization’s financial officer, or by a designated individual in the organization for which notification of such designation by an authorized official of the organization has been submitted to the Administration for Children and Families.

The Federal grant award number should be indicated on all reports.

Failure to submit reports when due will be indicative of non-compliance with the award Terms and Conditions.
